

#26

**Across**

- 1** Zero
- 3** Denary, base 10
- 4** 802.3at
- 5** 1,073,741,824 bits
- 8** Signal exchange
- 10** Top-level directory
- 12** Pressure-sensitive switch requiring a very small force to actuate it
- 14** One trillionth of a second
- 16** IC 1958
- 19** File with installation instructions

**Down**

- 1** A point of minimum amplitude
- 2** Unencrypted
- 6** Measures a magnetic field [two words]
- 7** Sense of touch
- 9** n!
- 11** 0.000001
- 13** Central node in a star network
- 15** Half a byte
- 17** The base of a system of logarithms or a system of numbers; 2 in the binary system
- 18** Prior to an instruction's execution
