

# #43

## Across

- 1 Disengage or complete a circuit
- 4 5 MB to 3 MB
- 6 Technology behind "e-tolling"
- 8 Damping decreases a vibrations \_\_\_\_\_
- 11 A robot that looks and moves like a human
- 13 Yig [three words]
- 14 Sampling theory; Harry
- 16 Fast diode; electron tunneling

## Down

- 1 Computed by an adder
- 2 A different arrangement, but same result;  $6 + 5 = 5 + 6$
- 3 Same-to-Same
- 4 Trace line on a PCB
- 5 Embedded computing language developed by the DOD
- 7 An error-finding app
- 9 Content added to the end of a datasheet
- 10 Finite impulse response, infinite impulse response, fast Fourier transform
- 12 Fathom [two words]
- 15 Signal reduction
